Message from Director

I am very happy to introduce Altruism Society Honour Assistance (AsHA), a nonprofit based in Kokrajhar district of Assam. On behalf of AsHA, I welcome all of you.

AsHA was established with the vision to ‘create a peaceful and classless society’ through ensuring quality education and livelihood. The pandemic has brought in lot of challenges and barriers to move out freely and carry on our activities to fulfill the vision of the organization; however we have been able to get through.

We have extended our works to some of the new areas and we are exploring to understand the development challenges of the new areas. This year the organization has been able to put its compliance in place and we are looking forward for more improvement in coming days.

As the Managing Trustee of AsHA, I strongly believe that it’s our duty and responsibility to give back to the society we live in; in return of the many things we avail from it in our day-to-day lives. In the coming year we would be seeing ourselves as Sustainable and well set up Organization with more interventions and effectiveness. Our venture would be to focus on bringing improvement in the lives of the people we work with, widening our networks and working areas.

We are thankful to the backbone of AsHA; it’s Team, Donors, Block Officials, Volunteers and all supporters and well-wishers who are helping the organization in many different ways. We are also very grateful for the support that we received from many individuals and that make our work possible.

Best wishes

Ashadul Akand

Director

1. Acknowledgement

As the third year of the organization, there has been immense effort done in the remote villages. The efforts would have been impossible if we did not have a support of many individuals and organizations. Therefore we would like to extend our sincere gratitude to all of them.

First of all we are thankful to Goonj for supporting us with logistic that helped us in carrying out our activities throughout the year. It has helped us to build rapport with the community.

We thank Azim Premji Foundation for the financial support and for providing necessary guidance concerning project implementation.

AsHA is thankful to IDeA, Guwahati and Dhvani Foundation, Bengaluru for providing training on Organizational Development that has helped us streamline the Compliance, Governance, Human Resource Manual and helped in various policy formulations of the organization. There have been quality outcomes which would not have been possible without their knowledge and expertise.

We would like to thank SeSTA for always being with us since the time of our inception and supporting us in our cause through knowledge sharing and mentoring.

We would like to express our sincere thanks towards volunteers who devoted their time and knowledge in the implementation of the projects and look after the overall work and activities initiated by AsHA. We express our gratitude toward our families and well wishers.

Our special acknowledgement to-

- Regional Agricultural Research Station (RARS), Gossaigaon
- Block Project Management Unit, AsRLM, Gossaigaon
- Block Elementary Education Office, Gossaigaon
- Sanjog, Nalbari.
- North East Rapid Rural Response to COVID-19 (NE-RCRC)

- Central Bank of India, Gossaigaon
- Axis Bank. Gossaigaon
- Seven Sister Development Assistance
- IDeA theant
- Azim Premji Foundation

2. About AsHA

AsHA is a public charitable trust located in Kachukata village under Gossaigaon Block of Kokrajhar district, Assam. AsHA prioritizes working in Kokrajhar district considering its development challenges. With the aim to initiate socio-economic development in the district, a group of likeminded youths from the Kachukata village, with some experience of working in the development sector established AsHA. AsHA, acronym for Altruism Society Honour Assistance, literally means 'Hope' in Assamese. Since its inception the 'Hope' has been towards creating a just and equitable society in the district.

The organisation focuses on rural areas, mainly engages in livelihood, education, women empowerment and health and disaster management. AsHA works with vulnerable communities, marginal farmers students as its end users.

Presently AsHA is working in one district, four Block, 80 Villages, 70 Self Help Groups, three Village Organisation, 2500 Families in SHG and three Well Trained Development Professionals.

Vision

- To create 'Peaceful' and 'Classless Society'

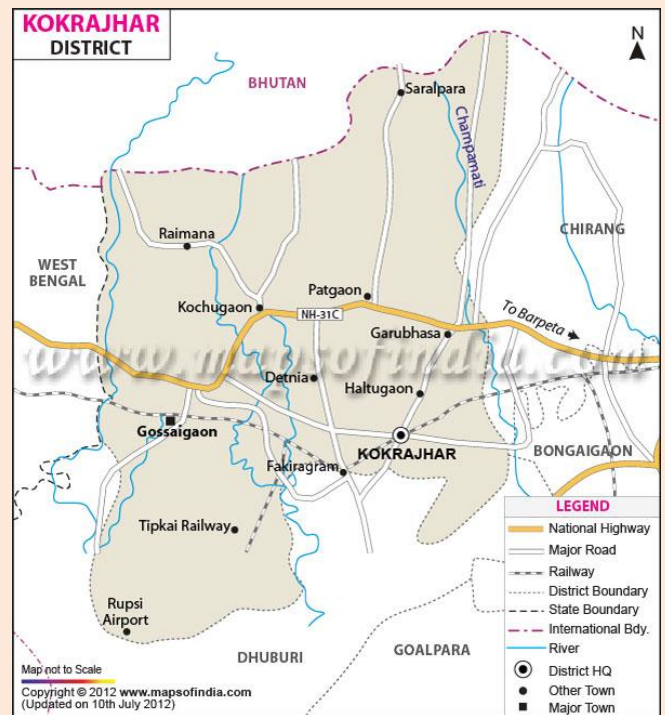

Mission

- To empower rural community by stream lining education and sustainable livelihood

3. About Kokrajhar

Kokrajhar is one of the 33 districts of Assam with 2.85% of the state population and is the gateway to Northeast India. Kokrajhar is an administrative district in Bodoland Territorial Region of Assam. It has two civil Sub-divisions namely Parbatjhora and Gossaigaon and five revenue circles namely Kokrajhar, Dotma, Bhowraguri, Gossaigaon and Bogribari. Both the rail and road network touch this district at Srirampur on the way to the rest of the region. The district is located on the north bank of the mighty Brahmaputra and stretches to the international border with Bhutan. It is bordered by

Bhutan on the north and by West Bengal on the west; the district of Dhubri district in the south and Chirang district in the east. Kokrajhar district lies roughly within 89°46' East to 90°38' East and 26°19' North to 26°54' North Latitude.

Population

According to the official Census of 2011 released by The Directorate of Census Operations shows that in 2011, Kokrajhar had population of 887,142 of which male and female were 452,905 and 434,237 respectively. Majority of the population belongs to the Bodo Tribe whereas it has sizeable Rajbongshi and Santal population as well as other minorities such as Muslim, Bengali, Rabha, Munda, Oraon etc.

The economy of Kokrajhar district is basically agrarian in nature with about 80 % of the population dependent on agriculture. Paddy is the major crop. Other important crops include oil seeds, pulses, cash crop like jute, vegetables etc. The agro climatic conditions of the district are conducive for various agricultural activities. Agriculture in the district is characterized by over dependence on rainfall, predominance of seasonal crops and conventional methods of cultivation. The sector contributes 38 % of the total income in the Gross District Domestic Product while secondary sector contributes 19 %. The tertiary sector's contribution is estimated to be 43 %.

The socio-economic status of the people of the Kokrajhar district is in fact said to be deplorable especially in Santali concentrated areas. The populaces are mostly illiterates where only about 20-30 % of the total populations of entire Santali concentrated areas are literate. The standard of attainment of education is mostly primary level. Only a 20-30 % has attained high school level. The economic activities of the inhabitants of the area are generally labour.

Percentage of Community in our working area

4. Milestones of AsHA

2019

- Establishment of AsHA

2020

- Formation of Board of Trustees.

2020

- Registration of AsHA under Trust

2020

- Collaboration with RARS.

2020

- Collaboration with Seven Sisters Development Assistance, IDeA theant.

2021

- Functional linkage with Goonj, Delhi.

2021

- Membership into NERCRC.

2021

- Received OD training from Dhvani Foundation, Bengaluru

2021

- AsHA office set up at Chautara

2022

- Received 1st grant from Azim Premji Foundation

6. Educational Program

i. Learning Improvement Centre

Being in the most backward region, AsHA since its inception has taken initiative on improving quality education. The pandemic proved to be most disastrous of its time. Schools, colleges and any form education centers were totally closed. During this time, AsHA took emergency initiative to teach students of lower pre-primary level at Habrubil and this year AsHA has been able to extend to five other villages with the help of community contribution under the Gossaigaon development block in Kokrajhar district. Efforts have been given to bring in change through conducting learning improvement classes in selected centres known as Learning Improvement Centres. In these centres children are provided scope of leaning through caring, loving and nurturing environment with completely joyful mechanism. The children learn sound consciousness, concept of mathematics, numbers, letters, words, rhymes etc. This program is run throughout the year.

Objective

To improve the quality of education

To bring development in level of learning

To generate awareness and sense of responsibility among the mass on importance of education

Outreach in Number

Total Number of School Supported	6
Total Number of Students Supported	160

7. Livelihood Promotion

i. System of Rice Intensification (SRI)

Assam's economy is fundamentally based on agriculture. About 89% of state's population of about 3 cores lives in rural areas and about 70 % of the total work force is engaged in agriculture and allied activities. However small and marginal farmers face difficulty to grow enough food for consuming throughout the year. The production does not suffice the families need.

AsHA promoted the System of Rice Intensification to enhance productivity. The main objective of AsHA is to engage in Livelihood Promotion is to enhance food security of the households by adopting SRI Principle of Rice cultivation. Enhance additional income of target families by Rs 20,000/- through SRI.

SRI is not a standardized, fixed technological method. It's rather a set of ideas, a methodology for comprehensively managing and conversing resource by changing the way that land, seeds, water, nutrients and human labour are used increase productivity from a small but well-tended numbers of seeds. It involves cultivating rice with as much organic manure as possible, nursery preparation, starting with young seedlings planted singly at wider spacing in a square pattern and with intermittent irrigation that keeps the soil moist but not inundated, and weeding and manuring post transplantation to keep the soil soft.

In the year 2021-2022, AsHA has been able to engage with 250 members of Self Help Group to enhance their production to ensure food security.

Outreach in Numbers

No. Of Women Farmers	265
Land in SRI (in Bigha)	135

ii. Nutrition Garden

AsHA during this year has also motivated women from the SHGs to prepare nutrition garden in their small homestead land. As more than 80% people live in villages, however not every family have ample amount of agricultural land, people mostly have only homestead land. They depend on daily wage work throughout the year. During off season they find it difficult to find work and thus it becomes difficult for them to meet the daily food supply requirement. As they are also unskilled they do not have access of income through other income generating activities, the eating habit changes and the nutrition intake becomes very low. The effect of malnutrition

becomes high in children.

Thus to bring some changes in the food intake, AsHA has taken initiative help farmers in nutrition garden so that they get enough nutrition from the food and also act as a form of alternate livelihood where they can sell the extra vegetable from their garden and use the money for other expenses. This also helps them in making them aware about the source of their food, and teach them valuable gardening and agriculture concept and skill.

Land holding for each beneficiary (SHG members) is around 0.25 bigha or less. The processes of Nutrition Garden such as land preparation, spacing, transplantation, use of manure were done through on field training. This year AsHA has been able motivate 75 women from SHG for nutrition garden.

Outreach in Number

Number of Nutrition Garden	178
Number of Women	178

8. Covid-19 Program

i. Campaigns & Awareness on COVID19

During the lockdown, AsHA took initiative on creating awareness in the villages namely Babubil, Habrubil, Nepalpara, Dulapra and Kachukata under Gossaigaon block. AsHA also distributed masks, Dettol soaps, Hand wash, and sanitizers among the villagers. The list of items is as follows.

Distribution Item

Sl. No	Particulars / Items	Quantity
1	Mask	300 pc
2	Hand Wash	180 pc
3	Dettol Soap	400 pc
4	Sanitizer	250 pc

ii. Vaccination Drive

To bring further impact through our work around COVID 19, AsHA has supported to ensure 100% vaccination of 48780 people under Tulshibil Primary Health Centre. The work on vaccination was done mainly during the last quarter of the year. The project was initiated jointly by Health Team, Tulshibil Primary Health Centre and AsHA.

At the initial stage meeting was held with the Joint Director Health & Family Welfare, Kokrajhar, Senior Health Officials and Block Program Manager, National Health Mission, Gossaigaon. After discussion, it was decided to choose the Tulshibil Primary Health Centre (PHC) under Gossaigaon Health Block to achieve 100% vaccination of both the doses.

The vaccination of second dose under Tulshibil PHC was only 35% till November, 2021. There was lots of hesitancy towards vaccination in the area such as daily wage earners lose a day wage; sometimes the date of vaccination and date of person's visit did not match, fear of getting sick after vaccination for several days, rumours of death and infertility etc. The inhabitants are Muslim Minority, Adivasis, Bodo, Rajbanshi and Bengali.

To counter the misinformation, AsHA in collaboration with the PHC health team made efforts to ensure vaccination. AsHA's Community Resource Persons along with Asha workers and Anganwadi worker engaged extensively in the process. Different activities such as app based data collection were done to know the number of left out population. Accordingly awareness meetings were arranged at village level with Self Help Group members, Village Organisation Members, Village Leaders and Youths. Vaccinations camps were held after data collection and awareness. To provide the vaccines at ease, old age people, and women were supported with transportation facilities to reach the centre.

Outreach in Number (till March)

No of Awareness Camp	33
No of Vaccination Camp	101
No of Vaccinated Population	21579

iii. Support through Ration Kit

Covid 19 was harsh on the entire human race. However the people in the rural areas were severely affected as day to day income was at halt thus leading to food insecurity and hunger. This year also AsHA extended helping hand to support families with Ration Kit to help ease their situation. AsHA supported ration kits under the Kokrajhar district in three development block (Gossaigaon, Dotma and Kachugaon).

Sl. No	Name of Block	Particulars	Beneficiaries No
1	Gossaigaon	Dry Ration	800 no's
2	Dotma	Dry Ration	500 no's
3	Kachugaon	Dry Ration	700 no's

9. Capacity Building of Organization

i. Organisation Development (OD) Support

AsHA as a new organization has always needed support to strengthening itself, in building mandatory legal compliances and forming various policy documents to be able to maintain best practice in the organization. For the various aspects of OD, AsHA has taken support from Dhvani Foundation, Bengaluru and IDeA theant, Guwahati approached organizations for (OD) Support.

ii. Staff Capacity Building

Staff capacity building is one of AsHA's important aspects. AsHA believes to grooming young people from the community for more sustained human resource. To make the local human resource more efficient, AsHA has taken initiative to capacitate them through their staff capacity building programme according to need of the organisation.

10. Bringing Social Responsibilities

i. Dignity For Work

This year AsHA has been able to engage with the community to look into the development of their villages. It mobilizes community to understand the scenario of the village and figure out the areas where community can bring improvement through working together. Women, men and children were involved. This

is done to bring a sense of responsibility and attitude of working together among villagers. In return they would be given a (Dignity for Work) kit, an honourarium in kind. The assistance was from Goonj, an organization in Delhi. This year AsHA team had been able to mobilize villagers from 5 villages. Firstly the villagers tried to figure out the work and then work to improve such as repairing broken village road, renovating old and incomplete infrastructure canals, repairing houses of poorest of the poor and public old and incomplete infrastructure, through collectivizing the Self Help Groups, villagers and youths.

Outreach in Number

Roads repaired	10
Canals repaired	2
Houses repaired	2
Roadside Plantation	3
School Repaired	1

ii. Home Visits

Home visits are designed and implemented to support families in providing an environment that promotes the healthy growth and development of their children. We faced lots of challenges in ensuring parents to send their children to school regularly; enormous effort was given to motivate them. Through home visit we were able to reach out to parents of each child and had interacted with them to understand their situation and perspective. Through the visits we have been able to encourage the parents to take responsibility to send their children to school.

iii. Community Mobilization

Community meeting is one kind of awareness program. At the time AsHA organized good number of community meetings. This was done through the collaboration with community leader, parents, senior citizen where the discussion was held openly for sharing our mission, identifying problems, sensitizing the parents for role taking in upbringing of their children and to take special attention in regards to the study of their children.

iv. Special Day Observation

Every day is significant for a person. However there are some special and important days that are celebrated in India. Through Special Day observation, AsHA has been able to bring together students, parents, youths and other villagers. Through the special day, AsHA has been able to motivate student and organize different types of Educational and Joyful activity such as sports, drawing and quiz competition with school students which has helped in building good rapport with the community.

Sewing School-

v. Working in Collaboration with Government Department

From its inception, AsHA has been able to make very good rapport with some of the existing institutions present in the block such as RARS and BPHC. This year also AsHA has been able to collaborate with Government department such as AsRLM, Circle Officer and BPHC and PHC Bhowraguri and Tulshibil.

11. AsHA Governance

Governance: Governing Board of AsHA consists of four members from different communities. In the year 2020-2021, the Board of AsHA held meeting for five times. Under the effective guidance of the Governing Board Mr. Ashadul Akand was appointed as the Director of AsHA with effect from July 2022.

- 1. Abdul Karim Sheik- President-** He is an entrepreneur. In the past he has voluntarily supported women in forming into collective such as Self Help Groups. Since the time he is engaged with AsHA, he is trying to understand the way an organization functions and is dedicated towards wellbeing of the organization.
- 2. Samsun Nehar Pramanik- Member-** She is a teacher by profession. Since the time she has joined the organization, she has taken interest in understanding the ground reality. Though she has no previous experience in the related field, she has taken part in various

awareness and training programs organized by the AsHA. She is actively partaking in monitoring the organizations work.

3. **Purnima Murmu - Member-** A nurse by profession. She has chosen this profession because she loves to care for people in need. She has always been actively participating in the organizations work.
4. **Suman Banikya -Member-** Worked with Self Help Groups (SHGs), Village Organizations (VOs) and Farmer Producer Organization (FPO) in SeSTA. Worked in Development Sector for sometimes, presently employed at IOCL, Bongaigaon.
5. **Ranjan Kr. Paul - Member-** He is a local inhabitant at the place where the organization is formed.
6. **Rahidul Islam Akand- Ex. Member-** A medical practitioner in the remote area of Kokrajhar district, he has been in service to people in his own way since 2008. He is associated with the organization since its inception as the founder trustee and helps in monitoring of the work of the organization.
7. **Ashadul Akand- Director** - A civil engineer by qualification, he has been working in the development sector since last four years. He is the co founder of AsHA. He with the team of experts formulated the Trust Deed, Vision; Mission; Thrust areas; Goals and Objectives. He has worked with SHGs in livelihood related activities and also has experience in education.
